OUR STORY

As Pittsburgh's first & only full-fledged veg & vegan cafe, we take stewardship of the earth & our place in the community to heart. Longtime QS policies include:
 -> grow our own produce & source local, organic & sustainable products
 -> support alternative transportation (we've got loads of bike racks & most of our staff bikes, walks or busses)
 -> recycle everything
 -> compost all of our vegetable waste & coffee grounds

-> offer biodegradable & compostable tableware for catering clients
 -> encourage reusable coffee mugs (bring your own & save 50¢)
 -> conserve energy with compact fluorescent bulbs & table lamps
 -> provide meeting & advertising space for community
 -> choose local independent service & repair providers
 -> support community, arts & nonprofit groups through monthly catering donations.
